

License Agreement for Lagom WHMCS Client Theme

This License Agreement ("Agreement") is between you ("Licensee" or "you") and RS Studio Paweł Bis ("Licensor"), hereinafter referred to as "RS Studio," regarding the use of the Lagom WHMCS Client Theme ("Software"). By installing or using the Software, you agree to be bound by the terms of this Agreement. If you do not agree with these terms, do not install or use the Software.

1. License Types

RS Studio offers the following license options:

- **Single Domain License:** Allows installation and use on a single WHMCS installation.
- **Five Domains License:** Allows installation and use on up to five WHMCS installations owned by the Licensee. This license is non-transferable and may not be used on WHMCS installations or domains owned by third parties, as redistribution and resale are strictly prohibited.
- **Development License:** Allows installation on development servers for testing and development purposes only. The development server must **not** be publicly accessible or viewable by third parties. This license is strictly for internal development and is not intended for production or live environments.

2. License Grant

RS Studio grants you a non-exclusive, non-transferable license to install and use the Software according to the license type purchased:

- **Single Domain License:** May only be installed on and used with one WHMCS installation.
- **Five Domains License:** May be installed on up to five WHMCS installations, provided these installations are owned and controlled by the Licensee. Redistribution to third parties or installations owned by others is prohibited.

- **Development License:** May be installed on internal development servers used solely for testing and development. These servers must be private and inaccessible to the public. Use of this license in a production or public environment is prohibited.

3. Usage Restrictions

By using this Software, you agree to the following restrictions:

- **No Redistribution, Resale, or Sublicensing:** You may not redistribute, resell, sublicense, rent, lease, or otherwise transfer any portion of the Software to any third party.
- **No Modifications or Reverse Engineering:** You may not modify, adapt, translate, reverse-engineer, decompile, or disassemble any part of the Software.
- **License Validation Protection:** Tampering with or removing license validation mechanisms, including modifying license files, is strictly prohibited and may result in immediate license cancellation.
- **No Unauthorized Installations:** Each license applies only to the number of installations specified (Single Domain or Five Domains). Installing the Software on unauthorized WHMCS installations is a breach of this Agreement.
- **Development Server Restrictions:** The Development Server License is intended for private development servers only. Development installations must not be accessible by the general public or viewable outside of the Licensee's internal team.

4. Intellectual Property Statement

The Software is the intellectual property of RS Studio. All rights, title, and interest in and to the Software remain with RS Studio. Purchasing a license grants you the right to use the Software in accordance with this Agreement but does not transfer ownership of the Software.

5. Disclaimer of Warranties and Liability

The Software is provided "as is," without any warranties of any kind, either express or implied, including but not limited to implied warranties of merchantability, fitness for a particular purpose, and non-infringement. RS Studio is not liable for any damages, including but not limited to lost profits, loss of business, or any other incidental or consequential damages, arising out of the use or inability to use the Software.

6. Termination Clause

This Agreement and your license to use the Software will terminate automatically if you violate any of the terms herein. Upon termination, you must immediately cease all use of the Software and delete all copies of the Software from your system.

7. Contact Information

For questions, support, or further information, please contact RS Studio at:
