Importing Slider Revolution

For the theme styles to pick up by Revolution Slider you'll need import the slides packed with the theme.

1. Browse and goto the Blacksilver download packed folder.
You'll see a folder called 'Revolution Slider Demo Slides'

2. Select file to import

**** Make sure to provide images and videos as the ones in demo aren't included.**

Aside

BlackSilver theme can build custom post formats. Post formats can be chosen from the Post Edit screen. The list appears as shown in the following screen shot.

When you select a post format additional options will relating the chosen post format. These extra options are available for Gallery. Link, Image, Quote, Video and Audio.

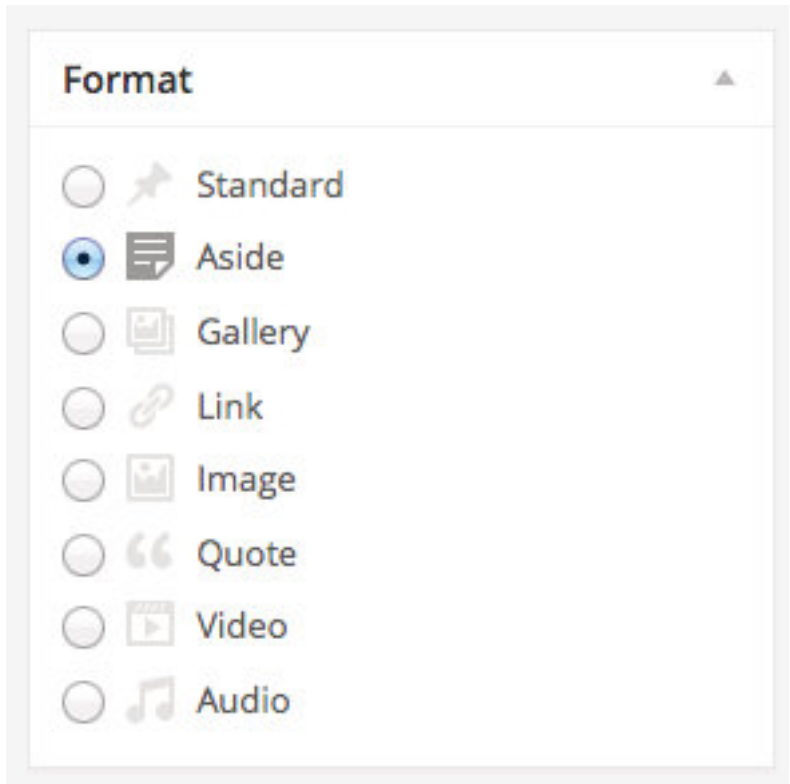

8 Custom post formats displayed on Right hand side of Edit Screen.

1. Standard Post

The screenshot displays the WordPress 'Add New Post' interface with the following numbered annotations:

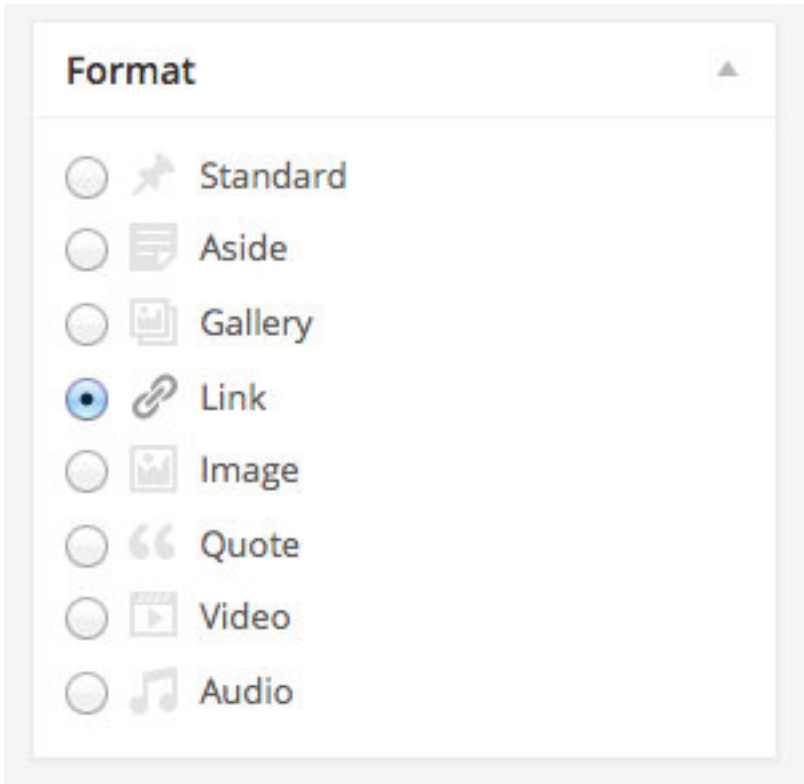

- 1**: Points to the 'Add New' button in the left-hand 'Posts' sidebar menu.
- 2**: Points to the 'Enter title here' text input field at the top of the post editor.
- 3**: Points to the 'Standard' format option in the 'Format' dropdown menu on the left.
- 4**: Points to the main content area of the editor, which contains placeholder text: 'Lorem ipsum dolor sit amet, consectetur adipiscing elit. Nullam semper leo eget sapien ultrices vitae facilisis massa dictum. Fusce eu purus a urna accumsan'.
- 5**: Points to the 'Featured Image' section at the bottom of the editor, specifically to the 'Set featured image' link.
- 6**: Points to the 'Publish' button located in the bottom right corner of the interface.

2. Aside post

An Aside is a custom post format which doesn't have a title. Very useful for small notes and such.

3. Link post

Link Metabox

Link URL
